

INDUSTRIAL CLEANING DETERGENT SPECIALISTS

PRODUCT INFORMATION SHEET

Uppercut™

**MULTI-SOLVENT,
MULTI-PURPOSE
CLEANER**

Remove rubber burns
caused by forklifts!

Remove greasy soils from
concrete, metals, and other hard
surfaces!

UPPERCUT™ is a high concentration of special solvents, wetting agents and emulsifiers. Effectively remove rubber burns caused by forklift tires, and greasy soil from concrete, metals, and other hard surfaces not normally effected by solvents. **UPPERCUT™** will penetrate and dissolve the toughest dried out, caked on grease to be easily removed by wiping or pressure washing. Ideal for floor care in industrial plants, warehouses, garages, and transportation terminals.

DIRECTIONS

FOR LIGHT SOIL dilute with up to ten (10) parts water or mineral spirits.
FOR HEAVY SOIL use full strength or dilute up to five (5) parts water or mineral spirits. In some cases agitate with a stiff brush. Rinse with a garden hose or high pressure washer.

PRECAUTIONS: Do not use on resilient floors. Avoid walking in solution wearing rubber boots or shoes, they will become slippery! May effect equipment with incompatible rubber components.

CAUTION: If swallowed, do not induce vomiting. Call a physician immediately.
Use with adequate ventilation. Avoid prolonged contact with skin.
KEEP OUT OF THE REACH OF CHILDREN (See Material Safety Data Sheet)

UPPERCUT™ is available in 1 gallon, 5 gallon and 55 gallon containers.
