

NEW WASHOUT RESISTANT MANIFOLD

NEW Chrome Plated Special Brass Manifold Extends Life

The special brass manifold has been developed for car wash applications where persistent washout problems exist. Field testing shows marked improvement in pump service life.

- Superior corrosion resistant alloy
- Superior resistance to stress cracking
- Chrome plated finish provides wear and discoloration protection
- Lifetime warranty against washout and freezing*

* See warranty details outlined in our warranty statement at www.catpumps.com
